New Rate Schedule Announced

Wednesday, March 1, 2017

In order to continue to provide customers with the best technological expertise and problem-solving efforts for your business' continued growth and profitability, technology consulting and endpoint support services company East City Consulting Technical Services raises the service rates effective March 1, 2017.

The new rate schedules will be as follows.

New Rate Schedule

East City Consulting Rates

Hourly Services	\$125 per hour
Month-to-Month Service Contract Rate	\$100 per hour (4.0 min)
Annual Service Contract Rate	\$100 per hour (20.0 min)

Rate Implementation Timeline

All new customers	March 1, 2017
Month-to-Month Service Contracts	June 1, 2017
Previous Customers ¹	June 1, 2017
Annual Service Contract	January 1, 2018

Summary

Current annual service contract customers will enjoy their current billing rate through December 31st, 2017. Current monthly service contract customers will be invoiced at the new rate beginning with their invoice for June, 2017 services. Existing on-call customers (no service contract) will pay the current hourly rates through May 31, 2017. New customers, and any customer who has had no billing activity since June 1, 2016 will be billed at the new rate.

¹ "Previous Customers" include any customers who have had billing activity from June 1, 2016 or newer.
